

## THE NEW COVENANT 1(i)

### Genesis 2:7-8

And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.

And the LORD God planted a garden eastward in Eden: and there He put the man whom He had formed.

God, the Spirit of Eternal Life, breathed His Spirit into moulded dust to beget a living soul that was like Himself. Effectively, Adam was God the created, created and sustained in God's image and nature by the Holy Spirit. A man is not his physical body of dust but rather the inner man (spirit and soul) that resides in the physical housing.

God being Agape-Love, the Trinity created man in their own image for the purpose of communion, interaction, partnership, fellowship and a sharing of the Divine abundance, sufficiency and nature i.e. His Life. So Adam, our first father, was created Agape, alive with God's Life. However agape is inclusively also love by choice, and Adam had to be given a choice to choose or reject Elohim, having been made in His likeness. For if the universe was created in Love, by Love and for Love, then only such a proven creature of agape-love (and his seed in him) could govern heaven and earth with and for the Trinity. Elohim Jehovah brought in choice, giving Adam the warning and advice he needed to make a right choice whenever Satan would come around; and Adam chose.

### Genesis 2:16-17

And the LORD God commanded the man, saying, Of every tree of the garden thou mayest freely eat:

But of the tree of the knowledge of good and evil, thou shalt not eat it: for **IN THE DAY** that thou eatest thereof thou shalt **SURELY** die.

Notice that the LORD God emphasized the consequence of disobedience, death on the day the said act may occur with a 'surely'. God was acting out of love. God was warning Adam about following Lucifer, who was now roaming the renewed earth as Satan, into disobedience. Adam chose to become a 'god' unto himself, a delusion that simply made him a slave to sin, a slave to Satan (whose temptation of Adam and Eve is exactly paralleled by the similar temptation with which he tempted our Lord). Sin is rebellion and Satan is the evil spirit inspiring disobedience in creation. The first Adam chose sin and forever condemned all his seed, who were in his loins, to death; the last Adam chose to do God's will, and forever justified His seed in His loins into God's Life. However their seed can opt out of eternal condemnation or eternal justification by insisting on what the first or second Adam insisted respectively. You have to choose.

### **Genesis 3:6;5:1-5**

And the woman **SAW** that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat, and gave also unto her husband with her, and he did eat.

This is, the book of the generations of Adam, In the day that God Created man, **IN THE LIKENESS OF GOD** made He him:

Male and female created He them; and blessed them, and called their name Adam. in the day when they were created.

And Adam lived an hundred and thirty years and begat a son **IN HIS OWN LIKENESS** after his image; and called his name Seth:

And the days of Adam after he had begotten Seth were eight hundred years: and he begat sons and daughters:

And all the days that Adam lived were nine hundred and thirty years: **AND HE DIED.**

The LORD had said that man would **surely** die THE DAY he rejected God but here the scriptures testify that it took nine hundred and thirty Years for Adam to die. This however is only in a physical sense. Adam died ON THE DAY he ate the fruit.

Man was created a LIVING SOUL by Elohim. The Eternal Spirit that gave God's own Life to his soul left him, and he died in **the real inner man**. It only took the rest of the nine-hundred and thirty years for the **law** of sin and death which Adam had activated to bring back to dust what had once been operating by the **law** of the Spirit of Life. Eternal Life was forced to depart and man became a dead creature **by nature**; AND HIS SEED AFTER HIM, in his own likeness. Thus God-exact-likeness died in the loins of one man and Satan-likeness, the corrupted breath of a fallen servant, came to hold sway over Adam's seed.

The human soul was no more divine, agape, but instead was now satanic, selfish, doomed to eternal hell ,with Satan and his angels, All the earth became subject to the devil's corrupting influence by Adam's disobedience. This is how sin, sickness, disease, war, adultery, homosexuality, witchcraft, racism, hatred, immorality, lying and all the satan-inspired works of the flesh came in. Adam died, though still appearing alive: a dead spirit, a dead soul and a body in which death worked till dust received it back. Adam, the most beautiful of God's creation, now was a **dead** 'independent' **soul!** This also is the condition of his seed.
